Letter No WT/1008 of 3rd April 44 forwarding for consideration a joint application from members of the Instructional Staff under the T.T. Scheme in the Indian Institute of Science re. Concessions to Candidates in the War Service seeking Civil employment after the war.

Their attention is invited to a G.O. 8th Dec. 41 referred to by the Instructional Staff of the Indian Institute of Science. The Chairman NSWT has stated that their employment falls under 2(d) and said G.O. i.e. Valuable Services rendered to the fighting Services in other ways. Preference is to be given in the order indicated. Last preference is given to other class of War Service. Further the G.O. reserves 20% of the substantive vacancies (Class I & II Clerical Service only) for Candidates with War Service. For the Members G.O. for the purpose of recruitment, the Members first classified their Service as technical & non-technical. No such classification has been made in the Memo for the office only to Class I & II vacancies. The Staff in the present case are technical Men. Trained for general and office. The G.O. strictly speaking cannot be made applicable to technical Staff if they want technical appts but any appts if they are prepared to join clerical service after the war. No guarantee of any appt can be in clerical service

2408/W. Concessions to Candidates with War Service seeking Govt employment after the war

Continuation Sheet. 2431/W File No. Current No. 181 of 43-44 Page.

Can be given at present and the question can only be considered on its merits after the war are after considering all the applications received from candidates with war service.

(RS 5/4 Sy.)

The cases of those and others who have taken up war work may be considered on their relative merits after they are discharged from their present service at the end of the war. So far as the applicants are concerned, it does not look as if they have any liability to serve abroad. They have been obtained by the spirit of Service to serve at the training centres just as several others have been appointed at the various other centres

## PART I.
## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

**Concessions to Candidates with war Service seeking Civil Employment after the war.**

Order No.W 1103-11 2-W. 12-40-3, Dated Bangalore the 8th December 1941.

Government have had under consideration the measures to be adopted to ensure that the services of all who desire to assist in the prosecution of the war should be utilised to the fullest extent. There are reasons to believe that young men who are suitable for " Emergency Commissions", etc, may hesitate to apply for such appointments in view of the risk of their losing permanently their chances of civil employment after the war is over. Government consider it desirable to remove these misapprehensions and to take steps to ensure that persons who volunteer for service in connection with the prosecution of the war should not be at a disadvantage in the matter of obtainig civil employment under the Government after the war, as compared with those who did not enrol for war service. Government are accordingly pleased to direct that the following arrangement be adopted and concessions shown to candidates with war service seeking civil employment after the war:-

(a) Twenty per cent of all substantive vacancies (in Classes I and II) to be filled either by promotion or by direct recruitment ( arising on or aft 1st November 19-1.) will not be permanently filled up so that these vacancies may be available for the absorption after the war, of suitable candidates with war service. These vancancies will, in the mean time, be temporarily filled up for the conduct of work, subject to termination , when required. Brahmin candidates will generally be absorbed in promotion and general vacancies and candidates of the backward communities in special vacancies.

(b) Minium educational qualifications, as prescribed in the exsisting recruitment rules, will be generally insisted upon. In special cases, relaxation to the extent necessary and desirable will be shown at the discretion of Government, provided the candidate possesses the requisite experience and knowledge for the efficient discharge of the duties of the office to which he may be appointed. In making the appointment, due consideration will be given to a certificate of good service from the Militer Commander of the unit or units in which the candidate has served.

(c) In respect of the rules laying down age limits for entrance to Government service, a candidate who has rendered war service will be permitted to deduct the period of war service from his age.

(d) Appointments will be subject to the usual medical examination for physical fitness for the service concerned.

2. For the purpose of these concessions, the following kinds of service will be deemed to be war service:-

(a) service of any kind abroad with a mobilised unit;

P.T.O.

( Contnd)

(b) service in India under Military Munitions or Stores authorities and service in a factory notified under section 4 (1) of the National Service ( Technical personnel ) Ordinance II of 1940, ina all cases with liability to serve abroad when required;

(c) a period of training with a Military unit with liability to serve abroad when required; and

(d) valuable service rendered to the fighting forces in other ways, e.g., by way of recruiting.

Preference will be gived in the order indicated.

3. The concessions hereby announced will be subject to the general reservation that they---

(a) are consistant with the public intrest;
(b) are fare to those persons already in the Government service who have no oppertunity of rendering war service; and
(c) do not involve the appointment of any one to a post the duties of which he is not competent to perform.
